Attendance Policy

Tardiness

You are expected to clock in each day by 8:45 a.m. You are tardy at 9:01 a.m. and a student will not be able to start accruing hours for that day until 10:00 a.m. Theory begins each morning, Tuesday through Friday at 9:00 a.m. Your attendance at Theory is a state requirement. The Academy Director may take corrective action towards any student who is tardy or absent two (2) or more times within a month. Attending class on time as scheduled helps you demonstrate your commitment to the program and keeps you in good standing at the academy.

Attendance

You must maintain an 80% attendance rate during the program at all times. TONI&GUY Hairdressing Academy does not have an excused absence/make-up policy. This strict attendance policy will help you prepare for the demanding schedule you will face as a hairdressing professional. The academy administration will take corrective action against any student who does not maintain 80% or higher attendance. Students who receive corrective action for attendance must make immediate corrections and maintain the expected level of attendance and punctuality or risk termination.

Make-Up Work

Absences are not excused for any reason. TONI&GUY Hairdressing Academy will however allow for students to take a make-up test one time only if the following requirements are met:

- If the retaken test falls within the same payment period as the missed or failed test. Once the payment period is closed the test will no longer be eligible for make-up. (Payment periods are 450, 900, and 1250 actual hours.)
- All make-up tests must be scheduled with an instructor within two weeks of its original date. It is the responsibility of the student to schedule the make-up test. Students who miss the scheduled make-up test will no longer have the opportunity for a make-up test.
- Make-up tests will only be administered once, with the highest grade awarded being 80%.

Re-Enrollment

If you withdraw from TONI&GUY Hairdressing Academy in good standing and wish to return, you shall contact the Academy Director. Re-enrollments are reviewed on a case by case basis and are subject to availability. If you are accepted for re-enrollment, you must sign a new contract, pay a nonrefundable re-enrollment fee, and settle all outstanding tuition balances. Students who are approved to re-enroll will re-enter in the same progress status as when they left, including grade point average, and attendance rate. A

student who receives a grade of incomplete and who is approved to re-enroll in the program may complete the incomplete subjects. As incomplete subjects are completed, the grade point average will improve.

Grading Policy

TONI&GUY Hairdressing Academy gives grades for written work, exams, and the Mock State Board exam, weighted evenly. We use the following grading scale to evaluate performance:

100% - 94%	Excellent Performance
93% - 87%	Very Good Performance
86% - 80%	Satisfactory Performance
79% and Below	Unsatisfactory Performance

Incomplete

TONI&GUY Hairdressing Academy will assign a grade of Incomplete (I) to a student who withdraws but who is not entitled to a refund, if the student:

1. Requests the grade at the time of withdrawal; and
2. Withdraws for an appropriate reason unrelated to the student's academic status.
3. Pays any balance due to the school in full.

A student who receives a grade of incomplete may be eligible to re-enroll in the program during the forty-eight (48) month period following the date of withdrawal provided that the original balance to the school has been paid in full. All re-enrollments are subject to availability and must be approved by the Academy Director.

Monthly Progress Report

All students enrolled in the cosmetology program will receive a progress report on the first Friday of each calendar month to review their current status in attendance and grade point average. If absent on the day the progress reports are to be received, it is the responsibility of the student to request their monthly progress report from the Academy Director. Those students that are achieving an attendance rate of 90% or higher as well as an 80% GPA or higher will be eligible for the Honors Program.

Satisfactory Academic Progress Policy (SAP)

TONI&GUY Hairdressing Academy generally requires a higher standard of attendance and GPA than the State or the Department of Education. As a student of TONI&GUY Hairdressing Academy, you must meet consistent and reasonable standards of satisfactory academic progress, including a grade point standard and an attendance standard. This policy applies to all students enrolled in our diploma program and is evaluated in actual hours.

It is printed in the catalog to ensure that all students receive a copy prior to enrollment.

Evaluation Periods

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology 450, 900, 1250, 1600 clocked (actual) hours

Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

Standard for Attendance

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule in order to be considered maintaining Satisfactory Attendance Progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. If the student falls below the 80% at the time of evaluation the student will be placed on a SAP warning. At the end of the SAP warning if the student has failed to reach an 80% attendance rate the student may be terminated from the program. However if the student has made significant advancement with the Academy’s standard of 80% and the Academy Director can reasonably determine that the 80% standard can be achieved, the student may then be placed on a probation status after an appeal by the student has been approved allowing the student to continue in the program until the next evaluation period.

Maximum Time Frame

The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at Satisfactory Academic Progress. A student who completes the program with an 80% attendance rate would have completed within 125% of the program length.

Course

Maximum Time Allowed

Cosmetology (30 - 35 hours per week) - 1600 Hours

58 Weeks

Transfer hours from another institution that are accepted up to 320 hours toward your program are counted as actual hours for the purpose of determining when the allowable maximum timeframe has been exhausted.

Standard for Grade Point Average

Students must maintain a minimum of an 80% grade point average to graduate from the program and in order to be considered maintaining Satisfactory Academic Progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. If the student falls below the 80% at the time of evaluation the student will be placed on a SAP warning. At the end of the SAP warning if the student has failed to reach an 80% grade point average the student may be terminated from the program. However if the student has made significant advancement with the Academy’s standard of 80% and the Academy Director can reasonably determine that the 80% grade point average can be achieved, the student may then be placed on a probation status after an appeal by the student has been approved allowing the student to continue in the program until the next evaluation period.

Numerical grades are considered according to the following scale:

94 - 100	EXCELLENT
87 - 93	VERY GOOD
86 - 80	SATISFACTORY
79 and BELOW	UNSATISFACTORY

Determination Of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making Satisfactory Academic Progress until the next scheduled evaluation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making Satisfactory Academic Progress while during the warning period. The student will be advised in writing on the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, the student may be terminated from the program or placed on probation.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period may be placed on probation and considered to be making Satisfactory Academic Progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for Satisfactory Academic Progress, the student will be determined as NOT making Satisfactory Academic Progress and the student will be terminated from the program.

Re-Establishment Of Satisfactory Academic Progress

Students may re-establish Satisfactory Academic Progress by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same Satisfactory Academic Progress status as at the time of withdrawal.

Appeal Procedure

If a student is determined to not be making Satisfactory Academic Progress, the student may appeal the determination. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet Satisfactory Academic Progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as actual hours for the purpose of determining when the allowable maximum time frame has been exhausted.

If you are entitled to a refund, the academy will pay you within thirty (30) days of the date upon which the academy learns that you are not returning from the approved LOA period.

Student Conduct

We want all of our students to be successful and to have an outstanding educational experience. To meet these goals, we have established a set of guidelines for student conduct. Failure to abide by these guidelines could cause disruption to the learning environment or negatively impact the educational experience for you and other students. Proper student conduct keeps our unique Spotlight Culture strong and helps you build a foundation for success. TONI&GUY Hairdressing Academy complies with all local, state, and federal laws that apply. We may take corrective action against students who violate the policies listed within this catalog, who interfere with another student's work, or who exhibit disruptive behavior.

Non-Smoking Policy

We provide a smoke-free environment for all students, staff, and clients. Students may not congregate or loiter in front of the school or in front of or near surrounding businesses at any time.

Safety

In an effort to provide a safe environment for all of our students and staff, we have established the following safety guidelines:

- Walk through the school at all times. Running can lead to slips and falls.
- Keep aisles and work areas free from clutter and obstruction.
- Seek assistance from another person when lifting heavy items: do not lift alone.
- Immediately report any incident that results in an injury.
- Report anything that could cause an injury or place someone in a dangerous situation, such as chipped glass, broken equipment, sharp or rough edges, electrical problems, or water seepage or spills.
- Report any situation which may be suspicious or out of the ordinary.
- Use the fire escape routes in case of fire. Each classroom or area of the building has a designated escape route that must be followed in case of fire. These routes are posted throughout the building. Please inspect each area for the fire escape plan, as you will be working in various areas of the academy.

Professionalism

We are focused on graduating professional hairdressers, thus we work hard to maintain the highest standards of professionalism throughout the building. Gossiping and engaging in inappropriate topics of conversation have no place in our professional environment. You should work to consistently maintain a professional demeanor with faculty, staff, fellow students, and clients. Keep conversations with clients positive and avoid sensitive topics such as religion, personal business, or gossip. Use of vulgar or profane language is not permitted. Treat your clients, instructors, fellow students, and administration with respect at all times.

Daily Duties

Per state regulations, the break room, classrooms, and clinic floor (shampoo area, dryer area, styling stations, etc.) should be properly maintained. All students will be assigned daily duties to help keep the academy clean and well-maintained. When performing your daily duties, please be thorough and take pride in your

work. Your duty should be completed thoroughly by 4:30 p.m., before you clock out. Before you leave each day, clean and sanitize your styling station and mirror. Remove all personal belongings from the academy. TONI&GUY Hairdressing Academy cannot be held responsible for lost, damaged, or stolen items that remain in the building after hours. We provide you access to a locked trolley which may be used for storing items. Bear in mind that the safest place for your belongings is with you.

Eating / Drinking

Eating and drinking are not permitted on the clinic floor. You may enjoy refreshments and meals in one of our Student Break rooms.

Telephones

Cell phones and mobile communication devices are not permitted in the classrooms, on the clinic floor or any academy business areas. Students who violate this policy may receive corrective action, up to and including suspension or termination. The lobby phone is for the exclusive use of our clinic floor clients and may not be used by students.

Reception Desk

The heart of our clinic floor operations lies at the reception desk. Our receptionists work very hard to keep the clinic floor running smoothly. Please help them provide Spotlight Service to our clinic floor clients by allowing them space to work. Students are not permitted behind the receptionist desk at any time. You will need to work in the reception area when you greet your clients and when assisting them in making product purchases and checking out. At all other times, you should stay out of the reception area.

Client Services

In order to build proficiency with the new skills and techniques you will be learning in class, you will need to perform practical applications on clients. Our clients expect and deserve your best Spotlight Service. Greet every client in a timely manner and deliver outstanding Spotlight Service until you have assisted them with checking-out. Refusing service to a client or trading tickets with another student will result in corrective action, up to and including termination. When you finish every client service, an instructor should sign off before you take the client ticket to the front desk.

Gratuities

Once you begin working with clients on the clinic floor, you may receive tips from your clients. Tips are a wonderful affirmation of your hard work; however, clients are not required to leave tips. Never solicit tips from your clients. Your primary focus should be on polishing your technique and honing your customer service skills, not on how much money a client might tip you. Concentrate on doing your best work with each client and you will be rewarded, whether with a tip, a compliment, or repeat business.

Confidentiality Policy

As your contract is made solely between you and TONI&GUY Hairdressing Academy, the information and details of the transaction are not to be shared with other parties. Additionally, any and all student advisement or conversation between any student and the administration is confidential and private. Do not discuss your contract or interaction with other parties among fellow students. Violation of this policy may lead to corrective action, up to and including termination.

Levels of Corrective Action

You will be thoroughly informed of our expectations of you as a student during your New Student Orientation. Your commitment to upholding the standards of conduct set forth by the TONI&GUY Hairdressing Academy helps us maintain the Spotlight Culture at the TONI&GUY Hairdressing Academy and ensures that every student has a positive educational experience. Should your conduct, attendance, or academic performance require attention, the TONI&GUY Hairdressing Academy Administration may intervene with corrective action.

The levels of corrective action could include the following:

Student Complaint / Grievance Policy

We value your feedback about ways that we can continue to improve the education experience for you and your fellow students. We conduct monthly student evaluations in which we request your feedback about your experiences at the TONI&GUY Hairdressing Academy.

If you have a complaint that you feel needs more attention, please provide a written statement to the Academy Director. Upon receipt, the complaint may be discussed with the Administrative Staff and you will receive a response within five (5) working days.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet Web site www.bppe.ca.gov.

Purpose of the Student Grievance Policy

The purpose of the student grievance policy is to provide a way for resolving student grievances of an academic nature.

General Guidance

The general grievance procedure as described below is for Academic Grievances. Academic Grievances include those based on items such as classroom procedures, complaints of unfair treatment by an instructor, complaints of unfair grades given by an instructor, absence and tardiness practices, course requirements that differ substantially from those set forth in the syllabus, and the right to participate in certain activities.

SPECIAL NOTE:

Any grievance involving a complaint of discrimination or sexual harassment should be directed to the Academy Director.

Academic Grievance Procedure

The following procedure is to be used to resolve an Academic Grievance. Generally speaking, once this process has begun, students should follow the procedure and not omit steps in the procedure. However, in extenuating circumstances, students may bring their grievance directly to the attention of the Academy Director or Director of Operations. At any point in the procedure below, TONI&GUY may require a written statement of complaint in order to proceed.

- 1. The Offending Person** – the student should first make contact with the offending person to resolve their differences within five school days.
- 2. The Instructor** – if the complaint is not resolved in the informal conference with the offending person, the student may then discuss the matter with their instructor. The instructor may schedule a conference with the student and the other involved parties, or the instructor may bring the issue to the attention of the Education Director.
- 3. The Academy Director** – if the grievance is not resolved by the instructor, the student may request a meeting with the Academy Director.

Student Services

As part of our Spotlight Culture, we provide a range of student services to support you in your education and to benefit you during your coursework. At any time during your enrollment period information is readily available to you in the Academy Director's office pertaining to counseling, crisis, substance abuse, and family violence. All requests for information will be kept confidential.

Housing

TONI&GUY Hairdressing Academy does not provide on-campus housing and is not obligated to provide housing; however there are rental communities nearby the institution's facility and the approximate cost of housing is between \$950 – \$1,650/month.

Student Advisement

Our administrators maintain an Open Door policy. Student Services and advisement are generally overseen by the Academy Director, but several other departments or individuals may be involved including Admissions. You are always welcome and encouraged to seek out the advice of the school administrators. We want to support you in your program and in reaching your educational goals. Where possible, we will assist you with issues that relate to your success in the program. TONI&GUY Hairdressing Academy does not provide psychological assessment or counseling to students in any manner or capacity. If you are in need of advice on personal issues, faculty or administrators may refer you to a licensed counselor. In such cases, we will provide you with a list of counselors published by the local school district to help you seek out the professional of your choice. The Resource Directory we provide is for informational purposes and serves only as a guide to you. We do not endorse, sponsor, or promote any of the resources/facilities provided.

Library/Resources

The bulk of academic material required for each course is covered during regular theory hours. We also maintain library resources to enhance your education. These resources consist primarily of teaching DVDs, trade magazines, specialty books, and may include online web-based information. You may review the resources available at designated areas in the school, upon request.

Placement

TONI&GUY Hairdressing Academy does not guarantee placement to any student. However, limited job placement assistance is provided to graduates at no additional charge. Upon graduation, the student's name is recorded in a placement register for the follow-up process. Results from the State Board of Cosmetology license examination are recorded as passed or failed. Students that failed the exam are encouraged to return to TONI&GUY Hairdressing Academy for assistance and guidance for subsequent attempts to pass the exam. Placement assistance is provided by reviewing the listings of salons seeking employees, their job requirements, salary, and other pertinent information. Students are referred to interviews and the results of these interviews are recorded in the placement register. The school may show prospective students this register upon request.
